PT WIJASTA GLOBAL TRADE

INDONESIAN COMMODITY TRADING & SOURCING PARTNER

COMPANY OVERVIEW

PT Wijasta Global Trade is an Indonesian single-member limited liability company (Perseroan Perorangan) focused on agricultural commodity trading and sourcing coordination for international buyers. We connect buyer requirements with selected Indonesian supply sources and coordinate product details, supplier references, quantity, packaging, and destination requirements before commercial offers are confirmed.

Our role is to support clear communication between buyers and relevant local supply partners. Product availability, specifications, documents, and commercial terms are reviewed for the relevant lot and transaction.

OUR APPROACH

01 · Understand	02 · Coordinate	03 · Confirm	04 · Prepare
Clarify product, grade, quantity, packaging, and destination.	Review relevant sourcing partners and lot-specific information.	Align specifications and commercial terms before an order.	Coordinate agreed documentation and shipment requirements.

FEATURED COMMODITIES

COMMODITY	SUPPLIER-REFERENCED INFORMATION
Areca Nuts (Pinang)	AB+, A, and B grades; stated moisture 3–5%. Grade A split reference 90–95%; Grade B 80–85%. Measurement basis requires supplier clarification. Reference MOQ: 10 MT, subject to current lot confirmation.
Gambier (Gambir)	Gambier B Extract, catechin 40–50%. Supplier-stated and requires COA/laboratory verification, including test method and relevant lot. Reference MOQ: 5 MT, subject to confirmation.
Cinnamon (Kayu Manis)	A and AA cinnamon stick grade descriptions. Botanical variety, dimensions, moisture, volatile oil, packaging, and current lot availability require supplier confirmation. Reference MOQ: 5 MT, subject to confirmation.

All product information above is supplier-referenced and indicative only, not independently verified test results or guaranteed specifications. Final parameters, documents, availability, and commercial terms must be confirmed for the actual lot.
